

Pipe Fabrication, Spools & Packages

FlexEJ manufacture of piping sets, spools and equipment packages. The piping may be associated with pressure vessels we manufacture or not.

Packages may be build to print or full in house design – incorporating your free issue items if required.

We work in a wide variety of materials including

Carbon Steel
304/L, 316/L
Alloy 625, 825

CrMo
Duplex
Titanium

FlexEJ's experience of working on international projects means we are well versed in delivering demanding NDE, QA and documentation as part of the contract.
