

## Strainers and Internals

FlexEJ has worked with industry leading OEMs in the manufacture of Strainers, Scrubbers, Separators Vessel Internals and Silencers.

We can incorporate free issue components or manufacture complete to your design.

Our vessel design capability also allows us to offer to package your internals within a vessel that we design and manufacture to suit.

We work with a wide variety of materials including

Carbon Steel	CrMo
304/L, 316/L	Duplex
Alloy 625, 825	Titanium

FlexEJ is also well versed in delivering demanding NDE, QA and documentation as part of the contract.
